

# The Late Evening LINK Will Get You Home After The 4:30 Shift

## Tips for new riders:

- Talk to the HR department to sign up.
- The bus leaves 5 minutes after the shift ends.
- Check in with the bus driver as soon as you can.
- Make sure you are on the right bus (either North or South).
- Let the driver know when your drop off spot is coming up.
- Monthly bus passes can be used anytime on any Waco Transit route.

Please Note: Under certain circumstances employees may be able to get a ride home without having a reservation, but you MUST let the HR department know you need a ride before 4:45 PM. The cost will be \$3. Be sure to talk to the bus driver to figure out the best spot to be dropped off along the route.
